An estimate for Rs.1,000/- for cutting and forming berms, at Government cost in respect of the Hagari channel in Moka village in Bellary taluk is submitted herewith. The cost involved is too much for the ryots to bear and they are unable to do the work by Kudimaramath. The

The ryots have agreed to the conditions laid down in the G.O. quoted above and have executed an agreement in the form communicated with the Board's Endorsement M.6598/35 dated 9-10-1935. P37(B) not printing

I request that the sanction of the Government may be obtained. If sanction can be obtained sufficiently early, or if the Board will permit me to start work in anticipation of sanction, the work can be done by famine labour of Basarakodu camp, as this is very near. I request early orders on this. / A
